

Bicester and North Oxford Cricket Club and the ECB's 'One Game' project

Bicester and North Oxford Cricket Club fully support the ECB's most recent project called 'One Game' which aims to widen the appeal of the sport and ensuring as many people as possible are welcomed into the game regardless of age, race, ability or gender.

The One Game pledge

Purpose of the Pledge

The One Game Pledge underpins the One Game campaign to ensure that the unique nature of cricket in England and Wales is celebrated and the whole game is accessible to all.

This pledge has been produced to prevent/tackle any potential/current discrimination or other unfair treatment, whether intentional or unintentional, direct or indirect, against players, spectators, members and volunteers.

This pledge is applicable to the game of cricket at all levels and in all roles.

Sharing the One Game values

The One Game Pledge forms the cornerstone of the One Game campaign to ensure that the unique and inclusive nature of cricket in England and Wales is celebrated, respected and nurtured.

As the current guardians of cricket, it is up to each and every one of us to hand our game on in better shape than when we found it. This philosophy applies to us all, at every level of the game from the playground through to our international teams.

The One Game Pledge gives us all the opportunity to commit to a shared set of values that allows the game to develop and embrace the whole community regardless of age, race, ability or gender.

By signing the One Game Pledge you are signalling publicly that you welcome all newcomers to the game and share the passion and pride of those already involved.

The ECB and is fully committed to the principles of equality of opportunity and aims to ensure that no individual receives less favourable treatment on the grounds of

age, gender, disability, race, ethnic origin, nationality, colour, parental or marital status, pregnancy, religious belief, class or social background, sexual preference or political belief. This includes players, employees, participants, volunteers and spectators.

The ECB will ensure that there will be open access to all those who wish to participate in all aspects of cricket and that they are treated fairly.

The ECB specifically supports initiatives by other organisations within cricket which recognise the principles of equality of opportunity and treatment such as the International Cricket Council Anti-Racism Policy.
